

CERTIFICATE

CONCERNING FACTORY PRODUCTION CONTROL ACCORDING TO EN 13479:2004, ANNEX ZA

The Certification Body for Structural Metallic Products of TÜV NORD Systems GmbH & Co. KG hereby confirms in accordance with the Regulation (EU) Number 305/2011 of 09 March 2011 that the company

**Deutsche Nickel GmbH
Rosenweg 15
58239 Schwerte
Germany**

has been certified with their construction product

welding consumable: wire electrodes according to EN ISO 1071

for use in metallic structures or in composite metal or concrete structures,

which was subject to an initial inspection of the products by the manufacturer and that the construction product is subjected to a continuous factory production control (FPC). The Notified Body conducted an initial inspection of the plant and of the FPC and performs continuous monitoring and conformity assessment of the FPC. (System 2+) The producer is responsible for the usability of the CE-marked structural products acc. to the product standard and the Declaration of Performance (DoP).

Certificate No.: 0045-CPR-1102

Year of first certification: 2013

This certificate has been issued in accordance with the Construction Products Regulation and is valid provided the provisions of the harmonised technical specification indicated are complied with and the manufacturing conditions in the plant or the factory production control are not modified to a major degree.
